

Season Sketchers

A nature journaling/nature connection art challenge
beginning on 31st October 2021.

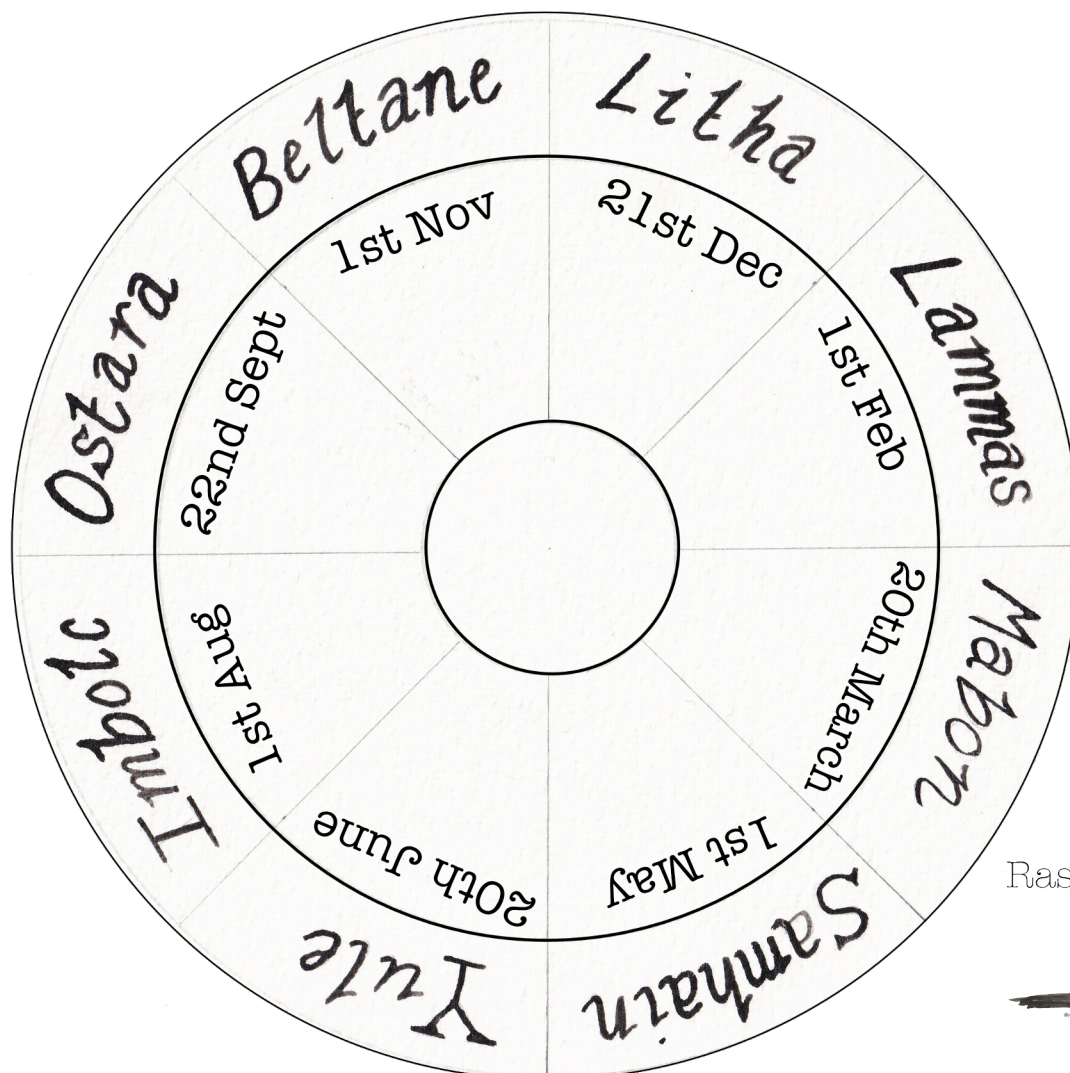

Using the 8 dates of the Celtic/Pagan Wheel of the
year to create 8 pauses across the calendar as the year turns.

Sketching outside in nature, we'll capture our
place in nature where we live as it changes over the year.

How can I take part?

- Add the dates to your diary.
- Get Outside (whatever the weather), please watch the video below for more info.
- Connect with your surroundings, use all of your senses.
 - Notice what's around you.
 - Sketch.
